

**Do you love reading books, but hate how tired your arm and hand get turning all those pages? Well now you don't have to with the page turner 3000! And now it comes with both right AND left-handed page turning capabilities.**

Assignment:

Create a product designed to help out humanity. That's it. No big deal, right?

It can be serious or it can be satire, but there will be a few steps along the way that you will need to complete. This assignment may be done in groups of 2-3 (or alone if you like).
